

Exhibition at PowerGen Asia 2019

@ Kuala Lumpur, Malaysia, September 3-5

Associated with Hiroshima Prefectural government, we, Daikure Co., Ltd. joined to exhibit at the PowerGen Asia 2019, which is the biggest exhibition for the power industry in Asia. From not only South-East Asia but also Japan and all over the world many customers visited this exhibition and our Daikure's booth. Thank you very much for the visit.

We Daikure has another factory in Taiwan/Tainan, which can manufacture same products as Hiroshima factory with the same quality. In addition to Japanese and Taiwanese market, we are promoting our products to Asian market. We are waiting your contact/inquiry.
